<sup>2</sup> Premier dentists agree to accept their Premier Contracted Fee as payment in full. Non-contracted dentists are reimbursed according to the program allowance, which is the amount determined by a set percentile level of all charges for such services by providers with similar professional standing in the same geographical area.

<sup>3.</sup> Endodontics and Periodontics can be classified as either Basic or Major services depending on the procedure.

<sup>4.</sup> In-network reimbursement for MetLife plans is based on the negotiated fee, which is the fee that in-network dentists have agreed to accept as payment in full for covered services, subject to any co-payments, deductibles, cost sharing and benefits maximums. Out-of-network reimbursement is based on either the negotiated fee (for the Silver plan) or the Usual and Customary (U&C) Fee (for the Platinum and Platinum-Plus plans). The U&C Fee is based on the lowest of (1) the dentist's actual charge, (2) the dentist's usual charge for the same or similar services, or (3) the charge of most dentists in the same geographic area for the same or similar services as determined by MetLife.
